

Dear

Please find enclosed details of opportunities that are on offer to your school during 2014 via the Aldershot Town FC Community Trust.

The ATFC Community Trust is a charitable non-profit making organisation which means that, unlike many private enterprises, any monies made are re-invested into the community groups with whom it works with. Currently we are offering schools the following opportunities :

1. **Curriculum Time Coaching** – At a cost of £25 per hour the ATFC Community Trust can provide schools with FA qualified and CRB checked coaches who are adept at coaching both football and multi-sport sessions. In addition, the coaches provide all the equipment needed to carry out sessions either in or outdoor.

If interested in booking a series of sessions please see the booking form enclosed.

2. **After school Clubs** – At a cost of £3 per hour, per student the ATFC Community Trust also offers juniors the opportunity to participate in both football and multi-sports after school clubs. Again all staff supplied to the school by the Trust will be FA Qualified and CRB checked and will provide all the equipment necessary to carry out the sessions.

If you would like to book an After-School course please see the form enclosed.

3. **Fund Raising for your school** – The ATFC Community Trust is experienced and happy to organise and run fundraising events within your school. A popular way of raising funds is through the use of the Trusts Target Challenge.

If interested in raising funds for your school please see the enclosed Target Challenge information.

4. **Receive FREE match tickets for your school juniors** – The ATFC Community Trust has teamed up with the Football Club to provide ALL juniors from your school the opportunity to watch League Two football free of charge during the 2014 Season.

If you would like to take advantage of this fantastic FREE offer please see the enclosed 'PARTNERS' application, which requires your school to provide the Trust with a staff contact email address.

Thank you for taking the time to read the enclosed and if you feel the Trust can be of assistance to your school. I look forward to hearing from you.

Yours sincerely

Kirk Wheeler

ATFC Community Manager

ALDERSHOT TOWN FC TARGET CHALLENGE

The ATFC Community Trust are delighted to assist schools with the raising of much needed funds by organising and running the Aldershot Town Target Challenge.

The event, that can take place over a half or full school day, involves every pupil in the school being given the chance to take part and take 5 shots at the ATFC target ring (pictured below). Participants are also provided with a sponsorship sheet to get each shot sponsored. Any proceeds from the event will be split 50/50 between the school and the ATFC Community Trust with the Trust raised monies used to support your school and the local community.

The pupil who raises the most money will be rewarded with a VIP day out at an Aldershot Town FC home league fixture while each pupil who raises £5 or more will be presented with a commemorative certificate. In addition, the three highest scores also receive a

commemorative ATFC Community Trust medal.

- Raise funds for your school / organisation
- Top fundraiser receives VIP day out at Aldershot Town FC first team fixture
- Every participant who raises a minimum of £5 receives a commemorative certificate
- Top scorers receive a commemorative ATFC Community Trust medal
- Funds raised will be used to develop links between your school and the ATFC Community Trust.

In addition for supporting this venture:

- Your school will receive complimentary tickets to an Aldershot Town FC first team match

BECOME AN ALDERSHOT TOWN FC PARTNER

Through your involvement with Aldershot Town FC Community Trust your school has the chance to become an Aldershot Town FC Partner. This means that ALL of the children who attend your school will be able to attend any Aldershot Town FC Division Two home league match for FREE providing they are accompanied by a paying adult.

All your school would need to do is recognise a main contact who would then email the ticket application form round to your children. The completion of this form will allow the children to claim their free ticket to the specific game chosen.

Pictured below are children from a partner school:
